

## *Design a road safety poster competition!*

---

Pick from any of the following road safety areas:

- Bike Safety
- Helmets
- Traffic lights
- Zebra crossings
- School bus safety
- Pedestrian Safety
- Cars speeding
- Children on driveways in danger of being run over
- Seat belts
- Pick your own theme (night be your school 2 min zone)

- There can be a class winner, a grade winner and the poster the school decides is the best to enter into Kidsafe for judging (State-wide comp)
- Competition winning poster may be used in state wide road safety campaign by Kidsafe
- There might be added "credit" (points) for having a catchy slogan campaign idea.
- Students are as creative as possible trying to get their message of safety across to the public, their school or to all QLD children.
- Great Prizes for the School and winning student.
