

Safety in Schools Week

26 - 30 AUGUST 2013

**Get involved!
Make your school
as safe as possible.**

Preventable accidents are the number one killer of Australian children. The second most prevalent area for accidents after the home, is the school.

Celebrate safety in your school with fun activities and great prizes! Help Kidsafe to keep kids *OUT OF HOSPITAL!*

Day	Topic	Activity
Monday	Home and farm safety day	Identify hazards around your home or farm. Colour in one of the "spot the hazards" sheets.
Tuesday	Road safety day	Design a road safety poster. Walk around the school and driveways, look at hazards, dangers, zebra crossings, traffic light crossings, bike safety etc.
Wednesday	Water safety day	Design a Kidsafe Qld Safety Mascot. Conduct a school water safety audit. How safe is the school pool?
Thursday	School safety day	Conduct a safety audit of your school - inside and out. Safety treasure hunt! Find nine!
Friday	Life saving & CPR day & kooky Kidsafe socks day	Child safety computer game challenge. Wear kooky socks for a gold coin donation to Kidsafe Qld and help keep kids safe, healthy and happy :)
