NATIONALLY RECOGNISED
TRAINING

Kidsafe WA Training

National Provider Number 52376

52862WA Course in Type 1 Child Car Restraint Fitting

This accredited training course will provide prospective Type 1 Child Car Restraint fitters with the knowledge and skills to install child restraints and conduct Type 1 fitting and checking services, as well as providing participants with the knowledge and understanding to educate consumers on the importance of appropriate selection and use of child car restraints.

Who should attend?

Anyone currently providing, or intending to provide, child car restraint fitting services, or required as part of their work duties to select, fit or use child restraints and/or provide information on the appropriate selection, use of and fitting of child car restraints.

Course Aim

To provide participants with the knowledge, skills and attitudes to be able to deliver Type 1 Child Restraint Fitting and checking services.

Course Information

52862WA Course in Type 1 Child Car Restraint Fitting* incorporates two units of competency:

- CRFPPIA301# Provide information and advice on correct child car restraints
- CRFPRL302 Install child car restraints

Entry Requirements

This course requires the satisfactory completion of oral, practical demonstration and written tasks. There are no specific entry requirements for *CRFPPIA301 Provide information and advice on correct child car restraints*, however a general command of spoken and written English, as well as the ability to write a simple report is required.

Participants in *CRFPRL302 Install child car restraints* must possess sufficient literacy and numeracy skills to be able to follow fitting instructions and legal requirements; reasonable physical agility sufficient to be able to access anchorage points and fit attachments; visual acuity sufficient to be able to observe signs, wear and tear, and atypical fitting situations; and sufficient mechanical aptitude to be able to utilise hand tools and adjustments.

#Unit *CRFPPIA301 Provide information and advice on correct child car restraints*, can be delivered as a stand-alone unit for those wishing to educate and inform the community about correct child car restraint use but **do not** wish to be recognised as a Type 1 Child Car Restraint Installer.

2022 Course dates: 16-17 Feb, 16-17 Mar, 18-19 May, 15-16 Jun, 20-21 July, 17-18 Aug, 14-15 Sep, 19-20 Oct, 16-17 Nov

Cost

\$660 pp including GST

(A full list of fees and charges is in the Training Course Information Guide)

Enrol Now
