POSTURAL AND BEHAVIOURAL HARNESSES

BEST VEST HARNESS

POSTURAL AND BEHAVIOURAL HARNESSES
BEST VEST HARNESS

The **Bestvest** is a vehicle positioning device designed to secure the seatbelt on the shoulder at all times.

The **Bestvest** is a revolutionary vest that can secure seat belts on the shoulder permanently helping to maintain a comfortable and safe position for passengers. The Bestvest is suitable for children of 5 years of age or over as well as adults, it is primarily intended to be used in conjunction with a 3-point occupant seatbelt.
This safety vest is suitable for wheelchair based passengers and can also be worn in conjunction with a booster seat. It comes in a range of sizes that extend from child to adult versions.

Features

- Comes in a range of child to adult sizes.
- Safely secures the seatbelt over the shoulder of the occupant.

Benefits

- Suitable for children over 5 years.
- Can be used in conjunction with a 3 point seat belt.
- Suitable for wheelchair based passengers.
