Operational Inspection Course

This nationally recognised training course incorporating *AHCPGD311 Conduct operational inspection of park facilities*, will provide participants with the knowledge and skills to conduct operational (monthly to quarterly) inspection of park and recreational facilities to identify hazards, existing and potential risks, non-conformities with Australian Standards, and workplace health and safety requirements.

Who should attend?

Individuals who are responsible for operational inspections of park and recreational facilities. These include but are not limited to traditional, indoor, natural and nature playgrounds, and those in a supervisory or maintenance role. This may include playground operators, supervisory, technical and maintenance personnel, risk assessors, safety officers, auditors, equipment manufacturers, landscape architects and designers, property developers, equipment installers, managers and owners of playground in public and private parks, staff members from schools, child care and other recreation and leisure facilities.

Entry Requirements

This course requires the satisfactory completion of oral, practical demonstration and written tasks. There are no specific entry requirements for *AHCPGD3011 Conduct operational inspection of park facilities*, however a general command of spoken and written English, as well as the ability to write a simple report is required.

Cost: \$1,100pp (plus GST)

(A full list of fees and charges is provided in the Training Course Information Guide)

Duration: Two Days - 9am to 4.30pm* plus post course assessment task

(Start & Finish times may vary and will be confirmed in course confirmation letters emailed prior to commencement)

Course Dates

Thursday 14th September 2023 & Friday 15th September 2023

Thursday 9th November 2023 & Friday 10th November 2023

On achieving competency, participants will receive a Statement of Attainment for the Unit of Competency *AHCPGD311 Conduct operational inspection of park facilities*.

It aligns with the national unit of competency from:

- AHC31421 Certificate III in Conservation and Ecosystem Management
- AHC31021 Certificate III in Parks and Gardens
