Visual Inspection Course

This nationally recognised training course incorporating *AHCPGD212 Conduct visual inspection of park facilities*, will provide participants with the knowledge and skills to conduct routine visual (daily to weekly) inspections of park and recreational facilities to identify visual hazards and existing potential risks.

Who should attend?
Individuals who are responsible for the routine visual inspection of park and recreational facilities. These include but are not limited to traditional, indoor, natural and nature playgrounds, and those responsible for routine maintenance.

This may include playground operators, maintenance personnel, risk assessors, safety officers, auditors, managers and owners of playground in public and private parks, staff members from schools, child care and other recreation and leisure facilities.

Entry Requirements
This course requires the satisfactory completion of oral, practical demonstration and written tasks. There are no specific entry requirements for *AHCPGD212 Conduct visual inspection of park facilities*, however a general command of spoken and written English, as well as the ability to write a simple report is required.

2024 Course Dates: refer website for updated course dates

Duration
One Day - 9am to 4.30pm* plus post course assessment task
(Start & Finish times may vary and will be confirmed in course confirmation letters emailed prior to commencement)

On achieving competency, participants will receive a Statement of Attainment for the Unit of Competency ***AHCPGD212 Conduct visual inspection of park facilities.***
