Comprehensive Inspection Course

This nationally recognised training course incorporating *AHCPGD510 Conduct comprehensive inspection of park facilities*, will provide participants with the knowledge and skills to conduct a comprehensive inspection of park or recreational facilities to identify non-conformities with Australian standards, legislation and workplace health and safety requirements, as well as industry and manufacturer specifications.

Who should attend?
Individuals who apply specialist skills and knowledge to conducting comprehensive inspections of park or recreational facilities, take personal responsibility and exercise autonomy in undertaking complex work. They analyse and synthesise information, and analyse, design and communicate solutions to a range of complex problems.

This may include playground operators, supervisory, and technical personnel, risk assessors, design and safety officers, independent auditors, equipment manufacturers, landscape architects and designers, equipment installers, managers and owners of playground in public and private parks, schools, child care and other recreation and leisure facilities.

Entry Requirements
This course requires the satisfactory completion of oral, practical demonstration and written tasks. There are no specific entry requirements for *AHCPGD510 Conduct comprehensive inspection of park facilities*, however a general command of spoken and written English, as well as the ability to write a simple report is required.

Cost
$1,650 pp
(A full list of fees and charges is provided in the Training Course Information Guide)

Duration
Two Days - 9am to 4.30pm plus pre* and post course assessment task
(Start & Finish times may vary and will be confirmed in course confirmation letters emailed prior to commencement)

On achieving competency, participants will receive a Statement of Attainment for the Unit of Competency ***AHCPGD510 Conduct comprehensive inspection of park facilities*** *(as well as AHCPGD212 & AHCPGD311)***.**

It aligns with the national unit of competency from:

- AHC51120 Diploma in Conservation and Ecosystem Management
