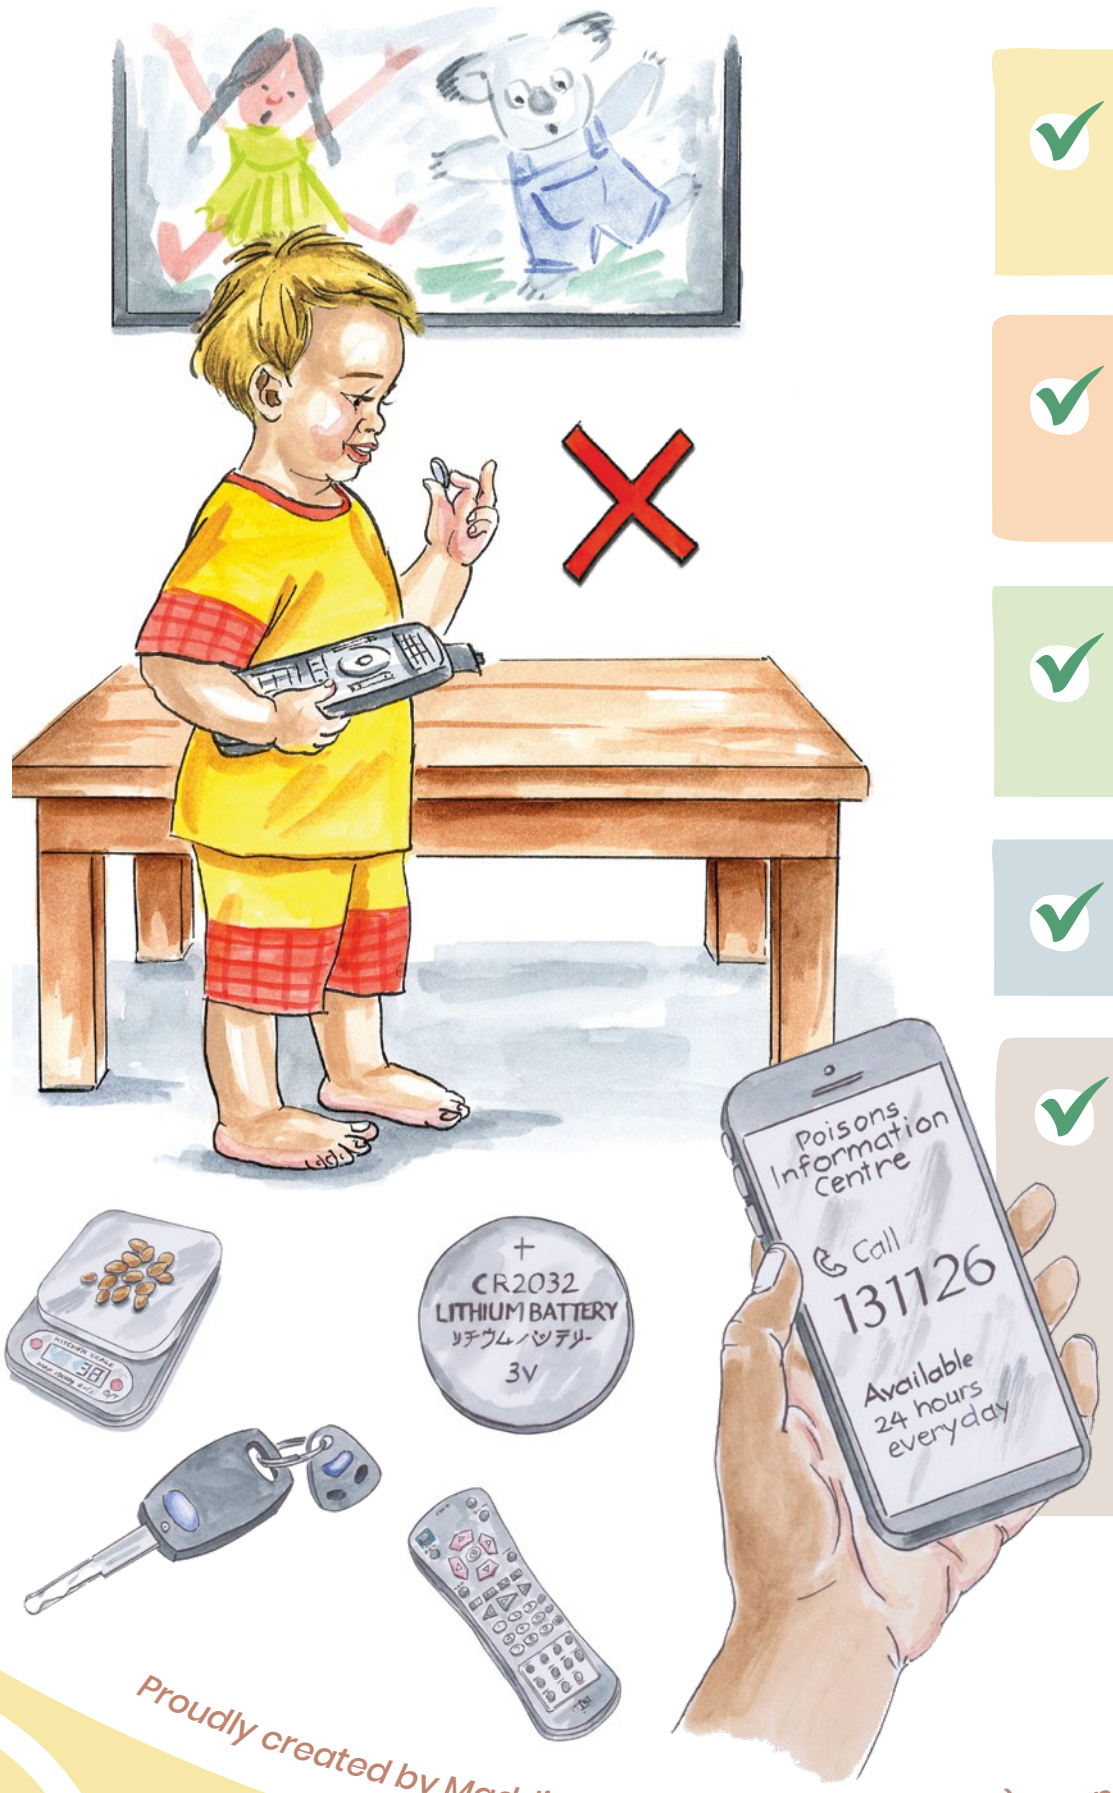
BUTTON BATTERIES

Kidsafe Queensland Inc

Original developed by Kidsafe Victoria and the Victorian Department of Health



- Look for items with button batteries in your home
- Make sure the battery compartment is secure
- Keep spare batteries out of reach of little ones
- Get rid of old batteries safely
- If you think a child has swallowed a button battery, call the **Poisons Information Centre straight away on 13 11 26.** If your child has difficulty breathing, **call 000.**
