POISONING

Kidsafe Qld Inc

Original developed by Kidsafe Victoria and the Victorian Department of Health

- Lock away all poisons, including medicines and cleaning products, in a cupboard up high, at least 1.5 metres above the ground
- Check what plants you have at home and get rid of any dangerous ones
- Put bags up high where little ones can't get into them
- Put the **Poisons Information Centre number in your phone 13 11 26** – they can help if your little one swallows a poison
