Nationally Recognised Training

Kidsafe WA Training
National Provider Number 52376

# 52862WA Course in Type 1 Child Car Restraint Fitting

This accredited training course will provide prospective Type 1 Child Car Restraint fitters with the knowledge and skills to install child restraints and conduct Type 1 fitting and checking services, as well as providing participants with the knowledge and understanding to educate consumers on the importance of appropriate selection and use of child car restraints.

**Who should attend?**
Anyone currently providing, or intending to provide, child car restraint fitting services, or required as part of their work duties to select, fit or use child restraints and/or provide information on the appropriate selection, use of and fitting of child car restraints.

**Course Aim**
To provide participants with the knowledge, skills and attitudes to be able to deliver Type 1 Child Restraint Fitting and checking services.

**Course Information**
52862WA Course in Type 1 Child Car Restraint Fitting* incorporates two units of competency:

- CRFPIA301[#] Provide information and advice on correct child car restraints
- CRFPRL302 Install child car restraints

**Entry Requirements**
This course requires the satisfactory completion of oral, practical demonstration and written tasks. There are no specific entry requirements for *CRFPIA301 Provide information and advice on correct child car restraints*, however a general command of spoken and written English, as well as the ability to write a simple report is required.

Participants in *CRFPRL302 Install child car restraints* must possess sufficient literacy and numeracy skills to be able to follow fitting instructions and legal requirements; reasonable physical agility sufficient to be able to access anchorage points and fit attachments; visual acuity sufficient to be able to observe signs, wear and tear, and atypical fitting situations; and sufficient mechanical aptitude to be able to utilise hand tools and adjustments.

[#]Unit *CRFPIA301 Provide information and advice on correct child car restraints*, can be delivered as a stand-alone unit for those wishing to educate and inform the community about correct child car restraint use but **do not** wish to be recognised as a Type 1 Child Car Restraint Installer.

**2026 Course dates:** 13-14 Aug, 8-9 October, 10-11 December
Other dates may be available for special requests to qld@kidsafeqld.com.au.

**Cost**
$660 pp including GST
(A full list of fees and charges is in the Training Course Information Guide)
